

Frame Adhesive Catalyst-FAST

Hardener for two-component Frame Adhesive – FAST, colour: green

Frame Adhesive Catalyst-FAST is a green dyed hardener for **Frame Adhesive - FAST** giving the mixture of adhesive and hardener a strong green colour. A visual control of the applied adhesive quantity is therefore possible. For details about further adhesive properties, please refer to the technical data sheet of **Frame Adhesive - FAST**.

BASIS Polyisocyanate, containing solvents

COLOUR Green, transparent

SOLIDS CONTENT Approx. 40%

DENSITY Approx. 1,03 g/cm³

FLASH POINT Approx. -4°C

**HEALTH HAZARDS/
ENVIRONMENTAL
PROTECTION** **Frame Adhesive Catalyst-FAST** is a quite thin fluid and may spatter when opening and pouring out the hardener, therefore necessarily wear suitable protective clothes and goggles, both when preparing and when applying the product.

Please follow further information given in the material safety data sheet.

STORAGE 2 years (at 20-25°C in original container)

Frame Adhesive Catalyst-FAST is sensitive to humidity and must therefore be stored in the tightly closed original container.

Avoid storage at higher temperatures.

This data sheet is for your information. A legally binding assurance of the product's suitability for a specific purpose cannot be derived from it and no liability can be assumed for any potential damages that may occur. Our products are subject to continuous production and quality control and leave our company in perfect condition.

This product is intended solely for industrial applications and not for use by the end consumer. We recommend to our customers to always test the product themselves since only in this way – also after production – can the freedom from certain substances and the suitability for a particular purpose be verified. The user has to test the product for suitability for the intended application. We reserve the right to modify product specifications. Tests that are not part of the specifications of the product mentioned above have not been carried out.

All information applies only to the above-mentioned product obtained from Kissel + Wolf GmbH. It corresponds to our current state of knowledge, but is not a confirmation of a particular application and is not automatically replenished. All information is valid for a maximum of 12 months (annexes may be provided with their own date) or until legal changes are made in this time period. The recipient of our product is solely responsible for observing any possible property rights as well as existing laws and regulations. Property rights of third parties must be observed. Our terms and conditions of sale and delivery shall apply.
