

Frame Adhesive Reducer

Reducer and solvent cleaner for adhesives

Frame Adhesive Reducer can be used for reducing many adhesives. For details on quantities please refer to the Technical Information sheet of the respective adhesive. **Frame Adhesive Reducer** can also be used for removal of adhesive residues and as a brush cleaner.

APPLICATION

As reducer: Add the quantity of **Frame Adhesive Reducer** given in the Technical Information sheet of the adhesive and stir thoroughly, or add the solvent in small doses until the desired viscosity is reached.

As cleaner: Apply **Frame Adhesive Reducer** on a cloth and remove the adhesive residue. Repeat the cleaning process for stubborn contaminations.

Notice: Test compatibility of **Frame Adhesive Reducer** when working on plastic or lacquered surfaces or with lacquered tools.

COLOUR	Colourless

FLASH POINT	Approx. -18°C
HEALTH HAZARDS/ ENVIRONMENTAL PROTECTION	Please follow further information given in the material safety data sheet.
STORAGE	3 years (at 20-25°C in original container)

This data sheet is for your information. A legally binding assurance of the product's suitability for a specific purpose cannot be derived from it and no liability can be assumed for any potential damages that may occur. Our products are subject to continuous production and quality control and leave our company in perfect condition.

This product is intended solely for industrial applications and not for use by the end consumer. We recommend to our customers to always test the product themselves since only in this way – also after production – can the freedom from certain substances and the suitability for a particular purpose be verified. The user has to test the product for suitability for the intended application. We reserve the right to modify product specifications. Tests that are not part of the specifications of the product mentioned above have not been carried out.

All information applies only to the above-mentioned product obtained from Kissel + Wolf GmbH. It corresponds to our current state of knowledge, but is not a confirmation of a particular application and is not automatically replenished. All information is valid for a maximum of 12 months (annexes may be provided with their own date) or until legal changes are made in this time period. The recipient of our product is solely responsible for observing any possible property rights as well as existing laws and regulations. Property rights of third parties must be observed. Our terms and conditions of sale and delivery shall apply.
